Town Warrant

THE STATE OF NEW HAMPSHIRE

**To the Inhabitants of the Town of Jefferson in the
County of Coos in said State, qualified to vote in
Town Affairs:**

You are hereby notified to meet at Jefferson Town Hall in said Jefferson on Tuesday, the fourteenth day March, next at ten of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

3. To see if the Town will vote to raise the sum of \$293.67 and receive the sum of \$1,957.83 from the State for Town Road Aid.

4. To see if the Town will vote to raise and appropriate the sum of \$146.60 for the purpose of uniting with the 45 other towns in the White Mountains Region Association in the cooperative development and promotion of the North Country's economy.

5. To see if the Town will vote to allow the Selectmen to administer or dispose of any real estate acquired through Tax Collector's Deeds.

6. To see if the Town will vote to allow the Selectmen to distribute the inventory blanks at the time of taking inventory.

7. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes.

8. To transact any other business that may legally come before this meeting.

Given under our hands and seal, this twenty-fifth day of February, in the year of our Lord nineteen hundred and sixty-one.

KENNETH S. REED
COLEMAN D. KENISON
FORREST W. INGERSON

Selectmen

ETHEL G. SMITH
Asst. Treasurer

Town Clerk's Report

I hereby certify that during the year ending Dec. 31, 1960, I issued 435 Auto Permits, collecting fees on same amounting to \$3,670.04, which I turned over to the Treasurer.

My commission amounted to \$217.50.

I licensed 40 dogs, 3 females, 34 males and one kennel of 5 dogs. Collected for same \$91.00, retaining \$8.00 for Fees. Turned over to Treasurer \$83.00.

I recorded and reported to the proper authorities 15 Births, 8 Marriages and 22 Deaths. My fees amounted to \$28.75. My expenses for postage, etc., was \$7.76.

Respectfully submitted,
ALICE M. BACON,
Town Clerk

Treasurer's Report

I hereby certify that I have received from the Selectmen, Tax Collector and Town Clerk for the year ending Dec. 31, 1960:

GORDON J. SAVAGE
EDMOND F. AYLING
CHARLES L. DAVIS
Trustees of Trust Funds

Jefferson Memorial Health Fund

In 1930 a **Jefferson Memorial Health Fund** was established, the interest of which was to be used for health needs in town.

It was the hope that more people would add to the Fund, in memory of their families, in order to give more interest money for use in the community.

Only one other family had added a Memorial to this fund.

The interest money has already bought several sets of glasses for children, at clinic prices.

Publicity seems to be what has been lacking for this project. If people would add even small amounts in memory of their families (the principal will not be spent) but there would be more interest money to be used.

The Bank Book is now in the possession of the Town Treasurer but, of course, the School Nurse, Teachers and any member of the community should report the needs for this fund to the Committee of Trust Funds.

Auditor's Report

This is to certify that I have examined the books, vouchers, bank statements and other financial records of the Town of Jefferson for the fiscal year ending December 31, 1960 and found them correct.

SHIRLEY C. INGERSON
Auditor

Health Report

New Hampshire State Department of Health

Mrs. Alice M. Bacon, Town Clerk
Jefferson, N. H.

To the Citizens of the Town of Jefferson:

During the year 1960, 277 visits were made in the town. These visits are as follows:

Adults	6	Mental Hygiene	15
Antepartum	6	Mumps	3
Chicken Pox	3	Neglect	4
Clothing	8	Polio Clinics	3
Crippled Children's		Preschool	100
Services	2	Regard Polio	11
Cancer	2	Ringworm	8
Dermatitis	5	School	32
Food	13	Sight Conservation	4
Heaf Testing	2	Trenchmouth	4
Heart	22	Tuberculosis	8
Infants	11	Well Child Conference	1

A Well Child Conference was held in June, with 11 children attending. Physical examinations and Patch Tests were given to 11 children, seven were vaccinated, and 3 received Triple Toxoid Boosters.

Three Salk Vaccine Clinics were held during the year, and the immunizations were as follows:

	1st	2nd	3rd	4th	Total
Under 5	4		15		19
5-9	6	5	3		14
10-14	3	3	3		9
20-40	7		31		38
All ages				94	94
Total	20	8	52	94	174

In June the Mobile Chest X-Ray Unit visited the community, and many citizens availed themselves of this opportunity.

In October, 24 students and three teachers in the school participated in the new tuberculin testing program, The Heaf Test, which was administered by Dr. William M. Prince, Director, of the Bureau of Communicable Disease Control.

Three children have been attending the Pediatric Clinics held in Littleton.

It has been a pleasure to work with the Citizens of Jefferson, and at this time I would like to thank them for their cooperation.

Respectfully submitted,
ELEANOR D. KENNEY, R. N.
**Public Health Nurse,
District No. 2, N. H. State
Department of Health**

December 28, 1960

A Profile of the White Mountains Region Association

WHAT IS IT? The WMRA is a voluntary, non-profit organization established in 1938 to promote the growth and prosperity of that section of New Hampshire known as the White Mountains Region which include the towns of

Albany	Errol	Piermont
Bartlett	Franconia	Pittsburg
Bath	Gorham	Randolph
Benton	Hart's Location	Shelburne
Bethlehem	Haverhill	Stark
Campton	Jackson	Stewartstown
Carroll	Jefferson	Stratford
Chatham	Lancaster	Thornton
Clarksville	Landaff	Warren
Colebrook	Lincoln	Waterville
Columbia	Lisbon	Wentworth's
Conway	Littleton	Location
Dalton	Lyman	Whitefield
Dummer	Milan	Woodstock
Easton	Monroe	And the city of
Ellsworth	Northumberland	Berlin

WHO ARE ITS OFFICERS AND DIRECTORS? President, George T. Noyes, Bethlehem; Vice President, Reginald M. Colby, Littleton; Clerk, George T. Hamilton, Gorham; Treasurer, Arthur M. Drake, Lancaster; Directors: J. Arthur Sullivan, Berlin; Samuel G. Hall, Beebe River; Walter B. Knight, Jr., Monroe; Harvey Converse, Pittsburg; Channing Evans, Berlin; John H. Boothman, Randolph; Joseph B. Dodge, North Conway; Alf Halvorson, Berlin; Randall E. Spalding, Whitefield; Horace B. Knight, Woodsville; Frank D. Silvey, North Conway; Leonard Vancore, Colebrook; Executive Secretary, Donald E. Sanborn, Jr., Lancaster.

WHERE IS IT LOCATED? Its business office is in the National Bank Building, 5 Middle Street, Lancaster.

WHAT IS ITS JOB? Economic development and promotion. The WMRA works independently and in cooperation with various trade associations, chambers of commerce, clubs, and local, State and Federal agencies to improve those conditions upon which the North Country's business depends.

HOW IS THIS ACCOMPLISHED? Through the voluntary cooperative efforts of progressive business men and women in the White Mountains Region. These people serve on committees and work on projects to develop and promote the following segments of our economy: manufacturing and crafts, commerce and vacation travel, agriculture, and natural resources.

FOR FURTHER INFORMATION, please write, phone, or visit the WMRA business office in Lancaster. We shall be pleased to supply our 1960 annual report, samples of our promotional literature and other information upon request.

School Warrant

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District in the Town of Jefferson qualified to vote in District Affairs:

You are hereby notified to meet at the Town Hall in said District on the 14th day of March, 1961 at 1:00 P. M. in the afternoon to act on the following subjects:

1. To choose a moderator for the coming year.
2. To choose a clerk for the ensuing year.
3. To choose a member of the school board for the ensuing three years.
4. To choose a treasurer for the ensuing year.
5. To determine and appoint the salaries of the school board and truant officer, and fix the compensation of any other officers or agents of the District.
6. To hear the reports of agents, auditors, committees, or officers heretofore chosen, and pass any vote relating thereto.
7. To choose agents, auditors, committees, in relation to any subjects embraced in this warrant.
8. To see what sum of money the District will raise and appropriate for the support of schools, for the salaries of school District officials and the agents and for the payment of statutory obligations of the District, and to authorize the application against said appropriation of such sums as are estimated to be received from the state equalization fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.
9. To see if the District will vote to adopt a plan for extending to employees of the town the benefits of title II of the Federal Social Security Act (Old Age, Survivors and Disability Insurance) as authorized by Chapter 101 of the Revised Statutes Annotated

Amended by Chapter 301 and 332 of the Laws of 1955 and to raise the appropriate sum of \$50.05 to defray the District's share of the cost thereof.

10. To see if the District wishes to exclude from the plan services in any class or classes of positions filled by popular election.

11. To see if the District wishes to exclude from the plan services in any class or classes of positions the compensation for which is on a fee basis.

12. If a plan for Social Security coverage is adopted, to see if the District will authorize the School Board to execute on behalf of the District the necessary agreement with the State of New Hampshire to carry into effect the plan and to see if the District will designate the School District Treasurer as the officer to be responsible for the administration of the plan.

13. To transact any other business that may legally come before this meeting.

Given under our hands at said Jefferson this 16th day of February, 1961.

Retirement	961.29	1,119.15	1,148.86
Insurance, Treas. Bond and Expenses	332.80	270.00	240.44
Capital Outlay:			
Lands and Buildings		500.00	800.00
New Equipment	2,700.64	250.00	250.00
Debt & Interest:			
Principal of Debt		6,000.00	5,000.00

Interest on Debt	2,432.00	2,336.00	2,160.00
Totals	\$48,440.74	\$53,538.21	\$56,376.05
Total School Budget	47,995.21	53,538.21	
Raised by Local Taxation	46,357.79	47,662.10	
Requested Appropriation, March 1961			\$56,376.05

*The starred items are required by law to be raised as determined by the proper authorities. The District determines the salaries of the District officers. The Supervisory Union Board decides the local share of the Superintendent's salary and other Union expenses. The share paid by the several Districts toward the Superintendent's salary of 1960-61 is as follows: Dummer, \$197.20; Gorham, \$4,071.60; Jefferson \$551.00; Milan, \$516.20; Randolph, \$197.20; Shelburne, \$266.80. The State Treasurer also reports the amount of the per capita tax, while the Teachers' retirement and the State Employees' Retirement Association assesses the amount for the superintendent's retirement and other District employees that belong to the system. In those towns that are under Social Security, the amount to be paid by the District is established by law.

The amount of the appropriation requested will be reduced by the amount of any balance left in the budget at the end of the fiscal year and by the amount of foundation and construction aid from the state due to the District.

Superintendent's Report

To the School Board and Citizens of the Jefferson School District:

Foreword

In this modern age the completion of high school is generally acknowledged by all to be not only desirable but necessary. Nearly all of our 8th Grade pupils now go on to high school and a greater proportion are staying in school to graduate. I feel that as parents and citizens, each one should carefully examine and analyze the type of education our high school pupils are planning for themselves and what is being offered to them.

The many phases of education have been critically analyzed during the past few years, and will continue to be carefully examined in the years ahead because of its ever-expanding and important role in the world today. The following quotation, taken from the editorial page of the Christian Science Monitor, summarizes the role of education as seen by the President's Commission on National Goals: "The development of the individual and the nation demand that education at every level and in every discipline be strengthened and its effectiveness enhanced. New teaching techniques must continue to be developed. The increase in population and the growing complexity of the world add urgency. Greater resources—private, corporate, municipal, state and federal—must be mobilized. A higher proportion of the gross national product must be devoted to educational purposes. This is at once an investment in the individual, in the democratic process, in the growth of the economy, and in the stature of the United States."

In the last half of the past decade much greater attention and emphasis has been placed on academic achievement. I think we all agree that this is essential. However, we must keep in mind, and in the right perspective, that we have in our schools today many more students than in the past, and students whose academic abilities are not all equal. The needs of all the students in this expanding school population are not all the same either, and we must be concerned with the entire student body.

With this thought in mind, I feel that the following summary of a report made to the President's Commission on National Goals by the president of the Carnegie Corporation and Carnegie Foundation for the Advancement of Teaching, Dr. John Gardner, is quite significant. Dr. Gardner has listed some considerations that he feels of paramount importance regarding the areas of school population and programs of study. Relative to the student, Dr. Gardner believes:

- attempts to identify children of unusual potentials should begin when schooling begins.

- thoughtful attention should be given to the needs of the group with limited academic talents.

- we should not, in dealing with children, develop an elite group, while others are classified at a lower level.

- in high school every academically talented student should take four years of English, four years of Math, four years of one foreign language, at least three years of science and three years of social studies.

With reference to curriculum, Dr. Gardner pointed out in his report that:

- reading is the most important part of the curriculum.

- mathematics is second only to reading in importance in the elementary school, and as in reading, remedial work should be prompt and generous.

- in high school everyone should take at least one year of mathematics and those going on to college, four years.

- all high school natural science courses should be revised in the light of current changes and developments.

- a course in biology or physical science should be required of all students in the high school.

- full-year elective courses in biology, chemistry and physics should be offered in all high schools, and students going on to college should study the sciences for at least three years.

- foreign languages should start no later than Grade 7 and every four-year college should require for entrance, four years of high school study of a single foreign language.

While the report did not cover the role of the school in the development of one's character, one's physical well-being, one's vocational education, or the role of music and art, all are very important elements of any educational system. Dr. Gardner's views were whole-heartedly supported by leading educators throughout the country, including the president of the American Council on Education, Arthur S. Adams, former president of the University of New Hampshire. Similar recommendations have been made by Dr. James Conant, former president of Harvard University, in his two reports on The American High School and The American Junior High School.

Budget and Warrant

The proposed budget for next year is \$56,376.05, compared to \$53,038.21 for this current year. The major increase in the budget is for additional tuition expenses, an item over which we have no control if our students are to attend high school. This is explained under the section on tuition. Other major increases are for teachers' raises, explained under the section on teachers, additional money for lights, due to the use of the building, a raise for janitorial help, extra money for hot topping the yard, The School Board and Building Committee decided to have the roadways paved instead of tarred, due to the expense and difficulties involved. If the roads were tarred by a private contractor, the expense would have been nearly as great as the hot-topping, and tarring was not done in town so we could take advantage of the state tarring program at a time when it was convenient to both parties. The company that installed the hot-top agreed to finance the cost over a three-year period without additional interest charges. This makes for a more permanent installation and should not have to be touched for 12-15 years. With all these factors in mind, the committee felt it was in the best interests of the District to have the area paved, rather than tarred.

The difference in the budget will be offset to some degree by a possible increase in state aid. The Governor has recommended a sum of \$1,000,000 be taken from the state surplus and turned back to the towns. In addition, he has recommended a small in-

crease in foundation and construction aid, which, if approved by the General Court, will also benefit Jefferson. Our increased school enrollment will not influence our foundation aid money for another year due to the law, but in the fiscal year of 1962-63 our allotment from the state should jump considerably due to the number of children in school.

There are four special articles in the warrant, all having to do with social security coverage. Some of our District employees, the janitor and hot lunch personnel, cannot be covered by these benefits without a vote of the District, and it is felt by the School Board and myself that we should make this coverage possible. The cost to the District is very small and would have very little effect on the tax assessment.

Teachers

It was necessary for the District to secure a new principal for this year. Mr. Roger Meserve, former principal of the school, accepted a position in the Berlin school system. We are greatly indebted to Mr. Meserve for the faithful service that he gave to the school and especially the many hours he contributed toward the completion of the school. We can thank him for much of the painting done in the building, construction of the portable stage in the activity room, and many other small and valuable pieces of equipment he built for the school.

We were very fortunate in finding as a replacement for this position, Mr. James McBride of Groveton, N. H. Mr. McBride is a graduate of Plymouth Teachers College, where he made an outstanding record as a student and an athlete. He is married and the father of one child and is the first principal to live in town for some time.

Mrs. Florence Currier again took a summer course to help her in her teaching position, and Mrs. Ayling has continued on her program towards completing the requirements for a Master of Education degree. I personally feel that Jefferson is fortunate and should be proud to have such a fine staff of teachers.

As indicated under the section on the budget, Jefferson's teachers for the most part are more than \$700 under the average salary paid New Hampshire elementary teachers. This, plus the fact that we must continue to raise salaries to compensate our good

teachers and to attract suitable replacements, points out why we have proposed the salary increases listed in the budget.

Enrollment and Attendance

We had a slight decrease in average membership for 1959-60 as compared to 1958-59; 102.2 as against 106.9. However, our enrollment for the present year is considerably more than last year. We started the school year with 114 pupils and this number has been fairly constant. As indicated in the statistical chart late in this report, we had 112 enrolled in school in January 8, 1961.

Our percentage of attendance jumped 1% last year over the preceding year, 96.1 as against 95. An attendance of 96.1 per cent is a very good record for elementary grades, especially where so many have to be transported. Our record of tardy pupils also improved slightly last year, 17 in 1959-60 as against 19 for 1958-59.

Buildings and Equipment

The most important changes accomplished were improvements to the outside areas of the building. The roadways were hot-topped with asphalt pavement rather than with tar, a new flag pole was erected, the grounds were graded and seeded, and the playground equipment was moved from the old buildings to the rear of the new school. The additional expense of the asphalt pavement is explained under the section of the budget. Being a new building there has been little to do inside except the normal cleaning and waxing. The care and maintenance of the new school has been greater than the old wooden building, especially prior to the time that the grounds were paved.

It is hoped that we can install a T.V. antenna on the roof of the building as soon as the right equipment is erected on Cannon Mt. or Mt. Washington. When this is done, we will be able to receive the educational programs from Channel 11, and these will add greatly to our school program. Other items of equipment inside the building seem to be adequate, other than the replacement of some reference books next year.

Tuition

The number of tuition pupils in high school remains about the same as last year with 28 in Lancaster High School and 12 in Berlin. Next year it is estimated that we will have just 3 in Berlin and 38 in Lancaster. The reason for the decrease in Berlin is due largely to the difference in tuition charges paid by the parents, the difficulty of finding suitable transportation and the improvement of facilities at Lancaster.

The tuition rate at Lancaster next year will be \$360, or \$40 more than last year. This rate is still \$76.00 below the average state cost for high school pupils. Lancaster's per pupil cost in high school is slightly over \$400, which can be charged by Lancaster according to the tuition laws of the state. With increased operating costs being experienced throughout the state, tuition rates have been climbing steadily and it appears that they will continue to do so in the future.

Calendar

Our calendar for the school year 1961-62 is as follows: Jefferson is following the Lancaster School District calendar and I wish to call your attention to the fact that the high school pupils will attend classes up to Friday, June 22, while the elementary pupils in Jefferson will finish up on Monday, June 18.

First Term

September 6, Wednesday, School Opens
December 20, Wednesday, School Closes

Second Term

January 2, Tuesday, School Opens
February 16, Friday, School Closes

Third Term

February 26, Monday, School Opens
April 19, Thursday, School Closes

Fourth Term

April 30, Monday, School Opens
June 18, Monday, School Closes—
Elementary Pupils
June 22, Friday, School Closes—
High School Pupils, Lancaster

Days Out

(None Counted Toward 181 School Days)
Teachers' Convention—October 21
Thanksgiving—November 23-24
(School dismissed 12:30 P. M. Wed., Nov. 22)
Good Friday—April 20
Memorial Day—May 30

School Lunch Program

The School lunch program opened shortly after the pupils moved into the new building with Mrs. Marilyn Ashton as manager and cook. The program, under her direction, has proved to be very popular with the children and has grown into a very important part of the school program. Nearly all pupils participate in the program as indicated in the figures below. Last year many mothers helped out in the operation of the program, for which we are very grateful. This fall an assistant, Mrs. Charles Enman, was added to the staff. The District is very fortunate in having such an efficient person as Mrs. Ashton to manage the program and Mrs. Enman to assist.
